

SUPPLIER CODE OF CONDUCT

JULY 2018

At GKN Powder Metallurgy we always seek to operate to the highest ethical standards. We call this **“doing the right thing”** and we apply this principle to everything that we do.

As a supplier to GKN Powder Metallurgy, you are integral to our success. We aim to develop and maintain relationships with our suppliers and in return expect our suppliers to also **do the right thing**. This means that in addition to providing the highest quality products or services, it is essential that you also operate your business in a way that supports our commitment to the highest ethical standards.

To help you understand what we expect of you and your suppliers in practice, we have prepared this Supplier Code of Conduct which applies globally to all suppliers to GKN Powder Metallurgy. We require that you and all our other suppliers comply with this policy, regardless of any conflicting local business practices or social customs.

If you have any questions about this supplier Code of Conduct or about what is expected of you as a GKN Powder Metallurgy supplier, please speak to your local contact at GKN Powder Metallurgy. If you have any doubts or concerns about how you should behave in any particular situation we would always prefer that you speak to us about them first.

Doing the right thing – what we expect from you...
